

Webmaster Report

Progress: the website now has a 2014 Youth Ambassador page and just needs more content. Photos (with some kind of identifying caption or explanation) and any other pertinent materials can be sent directly to marcy.galbreath5@gmail.com.

Plans for 2015:

- Complete the biographies page.
- Fill some of the existing program/project pages.
- Explore the possibilities of a more user-friendly format.

If anyone has suggestions for improving the site, please let me know your ideas.

Respectfully submitted,

Marcy Galbreath
