According to a recent e-mail that I shared you, I introduce you to Monica Patricia Cardenas, who has recently assumed his position as President of the Chapter Bogotá.

As you were informed, Monica was selected under the Legislative Fellows program in 2013, with the support of Fabian and the US Embassy, and therefore was a beneficiary of this program in 2013, later Chapter linking volunteer.

His skills and experience have made him make a very important connection to Washington, and is currently a consultant to the International Office in Bogotá, which is very beneficial for the Chapter and our leader bilingual program. He is eager and renewed energy to work in Chapter with new ideas, I'm sure they will strengthen our management several years, collecting the best fruit crops.

Monica is becoming aware through me all the activities of the Chapter, and some events occurring and fully known to you as have been the relationship with Gina Pezzano and Chapter Northern Project bilingualism Heart for Change, work with project bird, Fanalca Foundation, among others. Additionally it is important to note that has a great team, composed of the Vice Lorena López, who works with the Attorney General's Office, and who is a very committed, capable and interested volunteer strengthen management of the Chapter, as well Fabian Gonzalez, who will continue to lead member on the Board as member (next e-mail will send the new appointees).

We are in the process of delivering office, which I hope to finish before this month ends due to other commitments I assume since May. Also proceed to make the respective changes in the Chamber of Commerce, National Tax and Customs, and other entities, so that everything is legalized.
